ONLINE COURSE GENERAL INSTRUCTIONS

STUDENTS RECEIVING FEDERAL OR PRIVATE FINANCIAL AID

COURSE ATTENDANCE AND TIME LIMITS

You must be enrolled in and attending courses by the Adams State University census date (the course add/drop deadline) of the semester. Financial aid eligibility is determined by your enrollment status and course attendance on that date. **All semester-based and open enrollment courses must be completed within the semester of enrollment to maintain financial aid eligibility.**

The minimum course completion times for open enrollment online and print-based correspondence courses are as follows:

| Credit Hours | Minimum Course Attendance and Time Limit |
|---------------------|---|
| 1 hour course | 2 weeks from date of enrollment |
| 2 hour course | 4 weeks from date of enrollment |
| 3 hour course | 6 weeks from date of enrollment |
| 4 hour course | 8 weeks from date of enrollment |

The instructor may require a longer minimum course completion time. Please review the “Course Time Limits” section of the syllabus.

All open enrollment online and print-based correspondence courses have a maximum course completion deadline of one year from the date of registration.

Federal legislation requires Adams State University to verify that students who receive financial aid begin attending courses by census date of each semester. Please be aware that if you have financial aid for your courses with Adams State University, you **MUST** participate in an academically related activity in each course by census date of the semester of enrollment.

ACADEMICALLY RELATED ACTIVITIES DEFINITION

Academically related activities include, but are not limited to, physically attending a class where there is an opportunity for direct interaction between the instructor and students; initiating contact with a faculty member to ask a question about the academic subject studied in the course; participating in an online discussion about academic matters; submitting an academic assignment; taking an exam, an interactive tutorial or computer-assisted instruction; or attending a study group that is assigned by the school.

Academically related activities do **NOT** include activities where a student may be present, but not academically engaged, such as logging into an online class without active participation, participating in academic counseling or advisement, living in institutional housing, or participating in the school's meal plan.

In a distance education context, logging into an online class is not sufficient, by itself, to demonstrate academic attendance by the student. You must participate in class or otherwise be engaged in an academically related activity, such as by contributing to an online discussion or initiating contact with a faculty member to ask a course-related question. Completion of an online syllabus quiz constitutes attendance.

If you do not begin attending academically related activities in each course by census, you **WILL BE DROPPED** from your course(s) and therefore, lose financial aid eligibility for the semester. Any financial aid funds disbursed to your student account or refunded to you must be returned to the U.S. Department of

Education. Please be aware of Adams State's census (course add/drop) dates every semester by referring to the academic calendar at calendar.adams.edu.

DROPPING OR WITHDRAWING FROM A COURSE

You may add/drop or withdraw from a course within the term you registered, prior to the deadlines stated on the Adams State University academic calendar. In no instance will a drop or withdrawal request be honored once a final grade has been submitted by the course instructor.

For specific add/drop, withdrawal dates, withdrawal forms, and additional information, visit the ASU Records Office website at http://www.adams.edu/records/drop_withdrawal/drop_withdrawal.php.

You may contact your advisor at (800) 548-6679 or distanceadvisor@adams.edu, or the ASU One-Stop Student Services Center at (719) 587-7306 for additional information and dates. ASU degree seeking students withdrawing from all courses must submit a request for "Complete Withdrawal." To initiate a complete withdrawal, contact your advisor. To view the refund schedule for a complete withdrawal, see <http://www.adams.edu/administration/business/>

Financial aid awards for each semester are based on your final enrollment status (i.e., full time, three-quarter, or part-time), which is determined on the add/drop deadline (census date). Financial aid awards will be adjusted according to your census date enrollment. Students can request *withdrawals* for individual courses after census date, but tuition and fees will not be refunded. Students can register for Extended Studies courses after census date, but additional financial aid will not be awarded.

Additional information concerning financial aid can be found at <http://www.adams.edu/finaid/esfaq/esfaq.php>

Satisfactory Academic Progress

To encourage successful degree completion in a timely manner, academic progress for all students is reviewed at the end of every term. Students must meet three academic standards to maintain financial aid eligibility.

1. **Minimum GPA** 2.0 for undergraduate students, 3.0 for graduate
2. **Pace** Students must successfully complete at least 75% of their attempted credits
3. **Maximum Credit** Students must complete their degree within 150% of the required credits. For undergraduates, baccalaureate degrees must be completed within 180 credits. Graduate degree credit standards vary with each program.

ONLINE COURSE GENERAL INSTRUCTIONS

ASU POLICIES

Adams State University expects all students, as well as faculty and staff, to observe national, state, and local laws and to respect the rights and privileges of other individuals. The University expects each individual within the academic community to refrain from behavior that would disrupt the University function of education; cause injury to persons; cause damage or loss of property on the campus; or interfere with the freedom of movement of students, school officials, employees, or guests at facilities of the University. The University will not tolerate interference in any manner with the public or private rights of other individuals or conduct that threatens or endangers the health and safety of any person. The President or Vice President or designee, may summarily suspend any student in violation of these standards, pending a hearing of the case before the University Magistrate, when it appears that reasonable cause exists to believe the continued presence of the accused student on campus poses a threat to the safety of the student, other persons, or property, or a threat to disrupt University functions or activities. Students should be aware that such misconduct may also subject them to any penalties that may be prescribed by municipal, state, or federal laws. The imposition of such additional penalties does not constitute double jeopardy, inasmuch as University punishment is not criminal in nature. The Colorado General Assembly has passed a trespass and interference law with the education act. Violation is a Class 3 misdemeanor (Colorado Revised Statutes, 1973, 18-9-109).

STUDENT RIGHTS AND RESPONSIBILITIES

The University expects all students, as well as faculty and staff, to observe national, state, and local laws and to respect the rights and privileges of other individuals. The University expects each individual within the academic community to refrain from behavior that would disrupt the University function of education, cause injury to persons; cause damage or loss of property on the campus; or interfere with the freedom of movement of students, school officials, employees, or guests at facilities of the University. Interference in any manner with the public or private rights of other individuals or conduct that threatens or endangers the health and safety of any person will be not tolerated by the University. The President or designee may summarily suspend/expel any students in violation of these standards, pending a hearing of the case before the University Magistrate. Students should also be aware that such misconduct may subject them to any penalties which may be prescribed by municipal, state, or federal laws.

CODE OF CONDUCT

All students share a common and heavy responsibility to maintain a climate suitable to a community of scholars. They have equivalent responsibility with the faculty for study and learning and for conducting themselves with academic integrity in a manner compatible with the University's function as an educational institution. The University has a duty and the corollary disciplinary powers to protect its educational purposes through the regulations of the use of facilities and through the establishment of standards of scholarship and conduct for the students who attend the institution. Disciplinary proceedings should play a role substantially secondary to example, counseling, guidance, and admonition. When the preferred means fail to resolve problems regarding student conduct, proper procedural safeguards should be observed to protect the student from the unfair imposition of serious penalties for violation of University policies.

ONLINE COURSE GENERAL INSTRUCTIONS

Students violating rules of conduct, as set forth by the University, will be subject to disciplinary action. Expectations of behavior for all students are as follows:

1. All students are expected to practice academic honesty. They should refrain from any form of cheating, plagiarism, or knowingly furnishing false information to the University.
2. All students are expected to refrain from forgery, alteration, or use of any University documents, records, or instruments of identification with intent to defraud or deceive.
3. All students are expected to make only authorized entry to or use of any University facility. University facilities are interpreted to mean buildings, grounds, equipment, or materials.
4. All students are expected to comply with directions of University officials acting in performance of duties and to show identification upon request by a university official.

10. All students are expected to refrain from unauthorized possession of firearms, explosives, or other dangerous weapons upon the grounds, or in buildings, or other facilities of the University.
11. All students on University premises or in any building or University facility are expected to refrain from engaging in disorderly, harassing, or indecent conduct that results in a disruption, impairment, or interference of the educational mission, process, procedures, or functions of the University. Such proscribed conduct includes, but is not limited to, the following: coarse or offensive utterances, gestures, or displays; abuse or threats to any other person; unreasonable noise on University premises or in any building or other facility; fighting with another person; discharging or displaying a firearm on campus; striking, shoving, or kicking a person; directing obscene language or gestures to another person; or performing in a public place or in public view any of the following: (a) an act of sexual intercourse or (b) an act of deviate sexual intercourse or (c) a lewd exposure of the body.
12. While on or near University premises or facilities, all students are expected to refrain from denying lawful freedom of movement, lawful use of University facilities, or the right of lawful entry or exit from the physical facilities of the University to any other student, school official, employee, or invited guest. All students on the University premises or in any building or University facility shall not impede through the use of threat, restraint, abduction, coercion, intimidation, force, or violation any staff or faculty in the lawful performance of official duties, nor any student in the lawful pursuit of educational activities. No student shall willfully refuse or fail to leave the property of or any building or other facility used by the University upon being requested to do so by the President or his designee if such student is committing, threatens to commit, or incites others to commit any act that would disrupt, impair, interfere with, or obstruct the lawful missions, processes, procedures, or functions of the institution.
13. All students are expected to observe University regulations regarding artists, lecturers, films, videotapes, and entertainment media.

ONLINE COURSE GENERAL INSTRUCTIONS

14. All students are expected to refrain from any violation of federal, state, and municipal laws and from any other conduct not included above that adversely affects the function of the University and the pursuit of its educational purposes and objectives.

15. All students are expected to refrain from theft, alteration, destruction, illegal utilization, unauthorized entry into, plagiarism, and otherwise misuse of computer software or hardware.
