

Graduate Council Meeting
April 22, 2014
4:00PM – 5:00PM
BUS 239

I. Information Item: TED Course Number Changes

Dr. Crowther explained the re-numbering for courses in the NASA satellite lab STEN certification program. Course were re-numbered with discrete numbers for each course in place of the previous system which used the generic 589 Professional Development number. This will assist students with Financial Aid issues.

II. Action Items:

- A. Approval of Minutes from the March 18, 2014 Meeting - APPROVED
- B. COUN ED 715 “Advanced Multicultural Issues in Coun Ed” – APPROVED with minor amendments to the syllabus
 - Change Form
 - Institutional Syllabus
- C. COUN ED 717 “Instructional Theory in Coun Ed” - APPROVED with minor amendments to the syllabus
 - Change Form
 - Institutional Syllabus
- D. BUS 530 “Organizational Behavior” – APPROVED. The Correspondence track mirrors the online MBA with a leadership track, except the two elective classes are designated rather than a menu of options. This course replaces one designated elective in the correspondence track with another designated elective.
 - Change Form
 - Institutional Syllabus
- E. Master of Business (MBA) Outcomes (supplemental information for changes referenced in the Institutional Syllabus above)

III. Informational Items from Areas

HPPE – Thesis defenses are going on right now.
